

Testimonials

Managed Services

Company Name: Design Council
Solutions delivered: Fully Outsourced IT, Managed Services,
Server Support Network and Cerberus Disaster Recovery.
Clients for: 2 years

"From purchasing right through to full disaster recovery Datashare tick all of the boxes and deliver a first class all round service. Outsourcing our IT Department to Datashare was an excellent strategic decision having provided significant improvements in help desk and infrastructure management".

Andy Walles, IT.

Company Name: Lewis Silkin LLP
Solutions delivered: Procurement, Professional Services and Managed Services.
Client for: 10 years

lewisilkin

"I have dealt with Datashare from the day they started the business. Simply put they do exactly what they say they'll do, and are always on time and in budget".

Jan Durant, Director of IT

Company Name: Dermalogica
Solutions Delivered: Professional Services and Managed Services;
a range of projects and ongoing services.
Client for: 10 years

dermalogica®

"Datashare have been a trusted supplier to Dermalogica for a number of years now. They have an excellent team and provide great services. They have helped to support Dermalogica's growth in recent times. I wouldn't hesitate to recommend them to others".

Simon Winsall, IT Manager Global Subsidiaries.

Company Name: Harbottle and Lewis
Solutions delivered: Professional Services and Managed Services,
including Cerberus Disaster Recovery.
Client for: 4 years

Harbottle & Lewis

"I'm delighted we came across Datashare when we did. We had a DR need that no other services provider would have been able to address as well as Datashare and Cerberus".

Martin Lynch, IT Director

Testimonials

Company Name: Payne Hicks Beach

Solutions delivered: Managed Services, Support and Virtualised Desktops.

PAYNE HICKS BEACH

Solicitors

"We commissioned Datashare to implement a fully virtualised environment with a replicated SAN at our London offices. The project has been a great success. We now have a fully available energy efficient network infrastructure that performs even better than we expected".

Michael Leedham IT Manager.

Company Name: Regents College

Solutions delivered: Hardware and Software Procurement and Managed Services, including Cerberus Disaster Recovery.

Clients for: 1 year

REGENT'S COLLEGE
LONDON

"We love Cerberus. It's a great service which saves a lot of time and effort on our part. It took the place of another managed back up service and since it went live we haven't looked back".

David Elliott, Head of Information Systems.

Company Name: Drayton Finch

Solutions delivered: Managed Services, Virtualised Desktops.

Clients for: 1 year

DRAYTON FINCH
EXECUTIVE SEARCH

"IT was taking up far too much of our time in our demanding environment of executive recruitment and the resulting distractions had serious implications for our business. A fully outsourced and desktop virtualisation contract with Datashare has meant we can focus all of our efforts on delivering customer satisfaction".

Elizabeth Hamilton, CEO.
